INTRODUCTION TO YOUR EXHIBITOR PROFILE

What is an Exhibitor Profile?

An Exhibitor Profile serves as your online showroom. Help attendees find you and your products while they plan their visit. Attract relevant audiences by industry, category, or product line for high quality connections and access more business opportunities at the event.

Why should I use an Exhibitor Profile?

The key to your event success lies in **visibility**. By aligning your profile with specific industries, categories, or product lines, you're able to **attract a relevant audience, foster quality connections and unlock more business opportunities during the event**.

94% visitors plan their visit before the show. Therefore, completing your profile early increases your visibility and connects you with more potential buyers.

How to Access the Exhibitor Hub

The Exhibitor Hub is where you can manage the content to display on the show website via your online Exhibitor Profile. There are different ways to access the Exhibitor Hub:

Login Link from Website

Exhibitor Activation Email

NOTE: Some show websites may have the link published in a different location.

HOW TO LOG IN TO YOUR EXHIBITOR HUB

How to Log In to Your Exhibitor Hub

Click the Login button in the email and create your secure password. This email grants you access to the Exhibitor Hub.

If this is your first time logging in, you will be asked to create a password. If not, you will be redirected to the Exhibitor Hub login page.

AFTER SETTING UP YOUR ACCOUNT

Exhibitor Hub Login Page

You can input your username and password, then click on the Login button.

Exhibitor Hub Homepage

Now you are in the homepage, if you're exhibiting at multiple RX events, the dropdown menu allows you to manage which event profile you'd like to edit.

Your profiles are linked, meaning key fields like display name, description, logo, and social handles are automatically cloned across all the RX events you're exhibiting (Note: These fields can still be edited).

You can also view the tasks assigned by the show team through the Exhibitor Tasklist.

The screenshot shows the Exhibitor Hub login page. At the top is the RX logo. Below it, there are two input fields: 'Username (email)' and 'Enter Password'. A blue 'Login' button is at the bottom left, and a 'Forgot Password' link is at the bottom right.

The header of the Exhibitor Hub homepage. It includes the METALEX logo, the event dates '19-22 November 2025', and the location 'BITEC, Bangkok'. There are links for 'English', a heart icon, and 'Reserve Space'. The navigation bar includes links for 'Home', 'About the Show', 'Exhibitor Info', 'Visitor Info', 'Conference', 'News & Media', 'Blogs', and 'Contact Us'. Below the navigation bar, there are links for 'Exhibitor Hub', 'Event website', and 'Logout'.

The main content area of the Exhibitor Hub homepage. It features a profile completion status: 'Currently your profile is 96% complete. Visitors to a higher completed profile are 50%-60% more likely to engage with exhibitors at the show.' There is a 'Complete Profile' button. Below this is a dropdown menu labeled 'METALEX - RX BITEC'. The main content area also displays a table with exhibitor information, including 'Company Name', 'Digital offering', 'Stand location', 'Stand size', and 'Stand type'. A red box highlights the 'Edit Profile Page' button, and an orange arrow points to it from a text box that says 'Click on Edit Profile Page to start completing your Exhibitor Profile'.
